

Eastern Corridor PE/EIS

July 27, 2006

Eastern Corridor Tier 1 Project Office to close as project moves forward into Tier 2

With the completion of the Tier 1 preliminary engineering/EIS work, the current Eastern Corridor project office at 4709 Red Bank Expressway in the Madisonville area will be closing July 31. Priority Tier 2 work items are underway, including detailed work in the Red Bank and Eastgate segments of the planned SR 32 highway improvements in addition to the Cincinnati riverfront segment of the planned rail transit improvements. The project implementation partners are moving the whole multi-modal program forward as described in the Tier 1 federal Record of Decision, with continued public involvement a high priority.

The Eastern Corridor website (www.easterncorridor.org) will remain an active and vital part of the project communications effort. Updates to the site are underway, and new project information will be posted as it becomes available. Citizens and interested parties are to use the feedback form on the website to ask questions, get information, and help guide the next phase of project development.

Beyond the website, you can get information about the Eastern Corridor project from these other sources.

If you live or have interests within the Hamilton County portion of the Eastern Corridor (City of Cincinnati - including the Madisonville, Oakley, Hyde Park, Mt. Washington, Linwood, East End and Columbia-Tusculum neighborhoods), Anderson Township, Columbia Township, Newtown, Mariemont, Milford, Indian Hill, and Terrace Park), you may contact these offices regarding information or questions on the project:

| | |
|---|----------|
| Hamilton County Transportation Improvement District | 946-8902 |
| Hamilton County Commissioner's office | 946-4400 |
| Hamilton County Engineer's Office | 946-4250 |
| City of Cincinnati Dept of Transportation and Engineering | 352-2366 |

If you live or have interests within the Clermont County portion of the Eastern Corridor (Union, Batavia, Miami and Pierce townships, Milford), you may contact these offices regarding information or questions on the project:
